International Code of Ethics
of the
Institute for Tissue Engineering and Regenerative Medicine (ITERM)
International Tissue Engineering Research Association (ITERA)

Recognizing that **ITERM and ITERA** seeks to exemplify and develop the finest standards in medical care , development and research, I hereby pledge myself, as a condition of membership, to live in strict adherence with its principles and regulations.

Adopted by the 3rd General Assembly of the World Medical Association, London, England, October 1949 and amended by the 22nd World Medical Assembly Sydney, Australia, August 1968 and the 35th World Medical Assembly Venice, Italy, October 1983 and the WMA General Assembly, Pilanesberg, South Africa, October 2006 and the Code of Ethics of the American Urological Association Inc., we'll constantly improve this Code of Ethics.
